New For 2019...

Same great conference.
Some new, enticing ideas.

FREE hands-on science for all ages: 12 January

On the Saturday, University of Birmingham Science Buskers will be invading the Exhibition Marquee with fun challenges and practicals. All for FREE. Register for the Exhibition-only ticket and you can pick up a wealth of resources from our exhibitors and be entertained. Children are very welcome but must be accompanied at all times.

Don't miss the Schools' Exhibition 11 January 9am-12.30pm

This popular part of the Conference keeps growing. In 2018, over 40 schools showcased ideas from their science classrooms - primary, secondary and FE. Have you got resources or projects to present? If so, you can get a free day at the Conference. For more details, email conferences@ase.org.uk

Thursday Twilight: 10 January 3-7pm from only £25

Choose from over 50 CPD sessions for
teachers and technicians:

- Exam board updates
- Practical activities
- Real-world science
- Cutting-edge research
- Best-selling authors

And you don't even need to miss any school!

aseannualconference2019.sched.com

Invest in your subject knowledge and expertise.

The conference programme offers over 450 sessions, covering all phases from Early Years to Teacher Training, and all levels from NQTs to Heads of Department. Common to every session is the focus on the resulting impact on students' learning and achievement including:

- Updates from the exam boards
- Assessment guidance
- Curriculum development
- Practical science ideas
- Research into teaching practice
- Insight into cutting-edge science

Plus the opportunity to network with 3,000 science educators from schools and colleges across the UK and beyond.

Book before Friday 26 October to qualify for the cheapest Early Bird rates.

- 50% off for ASE members
- 15% off for groups of 6+
- Trainee teachers who join ASE receive one day free.
